First aid kits

Craigieburn Secondary College will maintain:

- A major first aid kit which will be stored in the Sick Bay.
- 10 portable first aid kit/s (5 yard duty kits, 4 excursion kits and 1 camp / sports first aid kit) which may be used for excursions, camps, or yard duty.
- The portable first aid kit/s will be stored: In the sick bay.

The college nurse will be responsible for maintaining all first aid kits.

Care for ill students

Students who are unwell should not attend school.

If a student becomes unwell during the school day they may be directed to the Sick Bay and monitored by the college nurse. Depending on the nature of their symptoms, staff may contact parents/carers or an emergency contact person to ask them to collect the student.

First aid management

If there is a situation or incident which occurs at school or a school activity which requires first aid to be administered to a student:

- The college nurse or other staff who have been trained in first aid will administer first aid in accordance with their training. In an emergency situation, other staff may assist in the administration of first aid within their level of competence.
- In a medical emergency, staff may take emergency action and do not need to obtain parent/carer consent to do so. Staff may contact Triple Zero "000" for emergency medical services at any time.

First Aid (includes arrangements for ill students)

- Staff may also contact NURSE-ON-CALL (on 1300 60 60 24) in an emergency. NURSE-ON-CALL provides immediate, expert health advice from a registered nurse and is available 24 hours a day, 7 days a week.
- If first aid is administered for a minor injury or condition, Craigieburn Secondary College will notify parents/carers by phone call / email or note home.
- If first aid is administered for a serious injury or condition, or in an emergency situation, school staff will attempt to contact parents/carers or emergency contacts as soon as reasonably practical.
- If staff providing first aid determine that an emergency response is not required but that medical advice is needed, school staff will ask parents/carers, or an emergency contact person, to collect the student and recommend that advice is sought from a medical practitioner.
- Whenever first aid treatment has been administered to a student Craigieburn Secondary College will:
 - Record the incident on compass. Any major injury or any injury above the shoulders will be recorded on CASES21.
 - If first aid was administered in a medical emergency, report the incident to the Department's Security Services Unit on 03 9859 6266.

In accordance with guidance from the Department of Education and Training, analgesics, including paracetamol and aspirin, will not be stored at school or provided as a standard first aid treatments. This is because they can mask signs of serious illness or injury.
